

Recommendation # 2: Create acceptance criteria for those wishing to list their events in the monthly Young Adult Ministry Advisory (Happenings).

For an event to be accepted for posting in the Happenings emailing, it must meet the following criteria:

Event requirements

- must be geared toward Catholic Young Adults (18-40)
- parish-based or supported by a religious order
- if the event is faith-based, it must be in line with the teachings of the Catholic Church

Individuals approved for submitting

- pastors and parochial vicars
- member of the YAM Leadership Team
- approved young adult ministers
- member of a religious order
- employee of the diocese

Events/individuals that will not be approved include:

- random public events not geared toward the Catholic Young Adult community
- individuals looking to gather names for a mailing list

Disclaimer: Final approval will be at the discretion of the Young Adult Ministry Leadership Team.

If a request to post an event in the Happenings email distribution is denied, the requester will receive a response in the form of a standard letter including these approval criteria.
